From: Randy Lyman, Pretreatment Coordinator
Subject: Gasoline Spill
Date: September 28, 1999 (10:47am)
Re: *Bair's Grocery & Fuel-5419 S. Campbell*
CC: Ed Malter, P.E., Bob Schaefer, P.E., Pretreatment Inspectors, file

Bob Schaefer received a call just a few minutes ago from Joey McElwee of Emergency Management indicating that there had been a 100 gallon gasoline spill at Bair's. Mr. Schaefer just wanted us to know for future reference and said he would call Mr. McElwee and let him know that we had no sanitary sewer serving that address.
